Tournament Updates

- Brackets have been emailed out to participating teams – a revised version will be emailed to a few teams, it was requested those coaches also receive a phone call to prevent mix-ups like we had last year.
- T-shirts – Dawn Rund will distribute T-shirts to the 3 locations and will create pricing signs.
- Friday night set-up- All volunteers are to meet at the **High School Gymnastics Gym at 7pm**. We need to dismantle the equipment. When that is completed volunteers will go to SMS. After 9 pm we can get into ORE and we need to be out of ORE by 10pm. We cannot get into the high school main gym to set up chairs until after the varsity basketball game. Geyer Rental will deliver the chairs to the high school.
- Steve Mackenthun has reserved the gym times with Community Ed for Friday night and from 7am-7pm both Sat & Sun.
- Trent Herman has the volunteer schedules for site directors, concessions and ticket sales.
- Site Directors are responsible for finding a janitor ASAP, ask for a two-way radio and have rags and disinfectant on hand for clean up of injuries/accidents.
- We have officials scheduled for 93 games @ \$50 per game.
- Time clocks – Locke & Ahrendt/Frank teams will run clocks at ORE on Sunday, no other clock volunteers were finalized as of this meeting.
- Concession coordinating will be shared by Curt & Joyce Sorenson (Saturday) and Brad Zapzalka (Sunday). We will not be selling Panera soup but they are generously donating bagels.

- Portable Time Clock – Pete will locate and make sure it is in working condition.
- Game Scorebooks – Pete will make sure we have 12 books – one for each court.
- Trophies are being delivered to the high school Saturday morning – Scott Mareck will distribute to the different locations.
- Last games start at 4:20 pm each day. The last shift of the day is expected to clean-up.
- Sunday night – all equipment and food need to be taken to the high school (this includes pizza warmers.)
- We will have access to the school milk coolers.
- Please bring heavy-duty extension cords if you have them – and label with your name.
