You must save the receipts and turn them into Laura Mackenthun for payment. There is a \$7 fee to get a copy of a receipt.

2. SAYBA In-House Update (Scott Mareck, Diane Winter, Steve Mackenthun)

- **October 6th, 1st session update**-had about 60 kids, one boy & one girl team for 1st grade, 3 boys' teams and one girls' team in 2nd grade. Dave Angell circulated a volunteer sign-up sheet and got about 20 boys to agree to help out with the in-house program. Scott called five volunteers on the list. They all showed up and some brought friends to help, we had plenty of volunteers on our first day of in-house.
- **Open gym supervision 12-2 pm** (Oct. 13, 27, Nov, 3, 10, 17) –coaches signed up to supervise for these dates. Balls can be found in the South Gym closet.
- **Adjustable hoops update**- An additional \$600 was approved to weld special brackets so the hoops we purchased could be set up in the North gym. The adjustable hoops fit fine in the South Gym.
- **Give-a-ways for kids (duffle bags)**-Pete Voshell has a few bags in storage, he will drop them by Steve Mackenthun's house. If more bags need to be ordered Steve will take care of it.

- **January/February 3rd/4th grade session coordinators** (need volunteer(s))- Scott suggested getting registration forms back from Community Ed to contact the parents of participants to see if any of them may be interested. This topic will be discussed further at a later date.
3. **Tournament registration update (Michelle Meyer)**- We have 4 boys teams and 4 girls teams registered to date. Some registrations are from towns that have not participated before. Michelle has emailed our tournament form to all past participating teams and to other team contacts listed in mass emails she receives informing her of area tournaments.

Tournament set up will be a little different this year because all the gyms have events scheduled until approximately 9pm – including the gymnastics gym. We will not be able to start at 7pm. Details will be discussed at a later date.

5. Coaches update

- 5th grade evaluations were completed. There are 25 boys registered and another young man interested. This will make two teams of nine and one of eight. The late registrant will join Ross Jenkin's team.
 - 6th grade boys have accepted a few late applicants. Their team totals do not exceed 10 players per team.
6. **Practice time scheduling (Steve Mackenthun)**-please let Steve know if you experience any complications at the various school gyms. It was reported that one basket in the middle court at the High School will not come down. Oak Ridge wasn't aware of one scheduled practice. Steve believes the janitor may have had an outdated schedule.
 7. **New uniform update (Pete Voshell)** – the new uniforms are scheduled to ship on the 19th, will hopefully be here by the 24th of October. **Please bring your old uniforms for new 6th/8th graders!** We are in need of at least eight jerseys. Blue shorts can be worn with the jersey.
 8. **Equipment distribution (Pete Voshell)**-Pete has whistles, ice packs, basketballs, band aids, etc. Please contact him to restock your equipment bag.
 9. **SAYBA warm-ups and apparel**- Pete displayed some of the apparel items available this year. We will have hooded sweatshirts, beanie hats, warm-up shirts & pants and a few other items. Coaches will pass out order forms, they will also be available on the website. The order deadline is October 31st.
 10. **Website update (Dawn Rund)**- Dawn has begun working on updating our website, it is a work in progress.

11. **Team pictures (Scott Mareck)** – Scott was approached by a professional photography organization seeking a multiple year contract with our organization. It was decided by those present that it was not something we wanted to commit to at this time.

Please remember that all are encouraged to attend and participate in these meetings; not just coaches!

Next meeting is Wednesday, November 14th at 7pm, Sartell High School commons area.
