

SAYBA March 2007 Meeting Notes

Treasurer Report - Approximately \$15,000 in our accounts

Tournament Recap

Tammy Kalla, current treasurer, handed out a recap of the 2007 tournament - we will have made about \$6000 for the organization after everything is paid.

We had XL t-shirts leftover, Dawn recommends ordering a total of 200 shirts next year, more smalls and less larger sizes.

It was recommended that we have teams sign waivers for the next tournament and have coaches sign in and possibly get coach passes.

Our tournament registration forms should state that we do not allow All Star or Renegade teams to participate.

Maps of school locations would be nice to have, could we possibly sell advertising on the maps?

Inhouse Update

Have had several kids enrolled in the 3rd & 4th grade levels.

There will be a make-up session at the end of the season for the one that was cancelled due to weather.

We have not received any dollars from Community Ed for the money they collected for our inhouse program.

There will be a SAYBA "Garage Sale" the last two weeks of inhouse to deplete the various items we have in our inventory so we can start fresh next year.

The registration forms need to make it easier for parents to sign up to volunteer.

It was suggested that the coaches' children's fees be waived.

New Business

Our tournament date will need to be changed for next year - possibly to November of 2007 or Jan 2008. To be discussed in detail at the next meeting.

The tournament book deadline is fast approaching, Mick will check and see when the actual deadline is.

John Ross, the Activities Director of District 748, requested a donation towards more padded chairs for the high school gym.

It was decided the registration rates would stay the same for the 2007/08 season. Checks may be post- dated for Sept 1st but must be received with the registration form, no invoices will be sent this year.

ALL grades will have a JUNE 1st DEADLINE.

Coaches need to contact families and make them aware of the registration deadline.

New officers will be elected at the April meeting.
