Basketball is a highly skilled game and it takes off-season dedication and commitment to become a good player. The camp will stress fundamentals using a variety of drills, contests, and games that will help each participant improve their basketball skills as well as become a more responsible, self-disciplined individual.

Instruction will focus on the fundamentals and skills needed to become a good offensive basketball player with a **heavy emphasis placed on shooting, one on one moves, and scoring.**

The Sartell Sabre Basketball Camp offers some definite advantages for the participants. The cost of the camp is very affordable, and the players will be learning and playing basketball with their own Sartell teammates and coaches. The Camp will be a lot of fun and a great learning experience for all those involved!

To register for the camp please return the registration form and check (payable to **Sartell Basketball Camp**) to:
